# THE KARISIA LEG

## DAY 1 TUMAREN CAMP

Arrival at Karisia's tented Tumaren Camp. Relax and enjoy your beautiful camp which is set on the edge of a wide plain and looks west to Losera Moru and Mukenya, granitic inselbergs that define our local landscape. Each tent is furnished uniquely and all the tents offer sweeping verandas from which most of our plains game can be spotted. After lunch enjoy a relaxing walk or camel walk from camp. Overnight Tumaren camp.

## DAY 2, 3 & 4

### CAMEL SAFARI

After breakfast you will depart early from Tumaren with your mobile Karisia walking safari with camels. We have riding camels with us and these can be ridden when you wish and also carry refreshments for the walk. The pack camels with your camp will have taken a more direct route arriving in camp ahead of you and setting up your tents and hot showers. You will arrive in camp in time for lunch and a cold drink. After lunch you can relax in the cool shade of acacia trees or enjoy a short loop walk with one of your guides. Accommodation is in private Air B&C tents (air bed and camel!), with comfortable mattresses, crisp linens, hot showers, cool drinks and delicious food. It is the perfect way to unplug from busy lives and reconnect with nature under African skies.

# THE EL KARAMA LEG

## DAY 5 BELL TENTS

Your first night on El Karama. Here, at Combretum on our northern boundary, you will say goodbye to the camels and be welcomed into to our gorgeous bell tent camp. Have a hot bucket shower and change into clean clothes, stretch your legs by the fire. By now, you will be used to the many sounds of the African night, lulled to sleep by the night jar's call and the distant howl of hyena. Hot water bottles warm your cosy safari beds, the smell of the campfire still lingering softly on the air.

## DAY 6 EL KARAMA LODGE

Awakening in the clean bright light of a bell tent, today you will walk through the conservancy via a delectable bush lunch, through plenty of wildlife and endless views, to El Karama Lodge. After five days on foot, you'll be ready for some luxury and pampering. Swim in the pool, enjoy a massage by the river, read a book on your own private verandah. The pace of your safari can change as much, or as little, as you'd like. Our rooms are all comfortable, spacious and airy, with en suite bathrooms equipped with big baths for hot soaks.

## DAY 7 EL KARAMA LODGE

Remaining horizontal is 100% an option, and well deserved, but if you'd like to keep exploring, there is masses to do. Early morning game drives are often rewarded with cat sightings, and a trip to our farm yields tasty, organic rewards to be enjoyed at lunch. You can go for walks, play volleyball, swim in the river (and try and catch a fish or two), take sundowners to some likely looking spot, go lion tracking or learn about our leopard research programme. Our chefs will prepare superb meals, all fresh and local, and the bar is well stocked with all the cool drinks you might possibly need.

## DAY 8 EL KARAMA LODGE

Your final day on safari. Wake up at six and make the most of the dawn, photographing wildlife in exquisite, golden light. Take a picnic breakfast and stay out all morning, coming back in the heat of the day for a blissful swim in the pool and last, lazy, siesta after lunch. After tea, go for one more walk, followed by an evening by the fire, reminiscing on all your adventures. The next morning, a leisurely breakfast and departure back to Nairobi for your flight home, or the next leg of your safari.
